

O Ummah of Islam! Abandon the Rulers of Muslims As They Have Abandoned Us and Our Causes

On 24 July 2026, a "Joint Statement by Foreign Ministers of the Group of Eight Arab-Islamic States" stated that they "condemn in the strongest terms the Israeli escalation at Al Aqsa Mosque / Al Haram Al Sharif... They stress that these provocative and unacceptable actions constitute a flagrant violation of international law, the relevant United Nations resolutions, and the historical and legal status quo at the holy sites in occupied East Jerusalem."

What a weak joint statement by the foreign ministers of Muslim states, which collectively command hundreds of thousands of Muslim soldiers! It explains why we are in such a miserable situation, where the most cowardly of all people, the Jews, violate our sanctities. Nothing good can be expected while such statements take the place of serious practical steps to liberate the Blessed Land of Palestine.

The armies of these eight states alone are more than enough to eradicate the Jewish entity along with its violations. If instead of issuing weak statements, these states were to combine their eight armed forces under one Amir of Jihad, the Blessed Land would be liberated within hours.

The rulers of Muslims lack a Shariah perspective and so they only condemn, in the vain hope that Muslims will accept their excuses. However, the Muslims are aware of their criminal inaction, and such statements only confirm the failure of the civilian and military leaderships in the Muslim World.

As for the rulers clinging to the two-state solution, their masters in Washington are working for one Jewish state surrounding a tiny open prison for the Muslims of Palestine. Moreover, the rulers are participating fully in Trump's plan to weave a web of alliances to normalize the Jewish occupation.

As for the rulers referring to international law and its institutions, these institutions do not represent international consensus by any means. Instead, these international institutions represent the interests of the five major colonialist powers, and the US most of all. As for international consensus, even the disbelievers have lost confidence in these so-called international institutions, as their hypocrisy has become clear as the sun in the sky on a cloudless day. As for the Islamic Ummah of two billion, the hypocrisy is even clearer.

As for the rulers highlighting the 144 dunams upon which Al-Masjid Al-Aqsa stands, in fact all of Palestine, from the river to the sea, is an inviolable sanctity of the Islamic Ummah. The Shariah obligates one solution, which is the mobilization of the armed forces of the Ummah in Jihad in the Path of Allah (swt), until all of Palestine is returned to the abode of Islam.

O Ummah of Islam! Abandon the rulers of Muslims as they have abandoned us and our causes. We must not rest until the establishment of the Shariah ruling governance, which will mobilize our armed forces to secure all of our sanctities.

In the Face of the Rampaging Jewish Entity, the Islamic Ummah Awaits the Flood of Its Armies

Daraa, July 24 (SANA) "Israeli" occupation forces stormed Wadi al-Raqad in the Yarmouk Basin area of western Daraa countryside on Friday, setting up a checkpoint before withdrawing. (<https://sana.sy/en/syria/2331667/>)

The Jews are expanding their presence in Daraa, within Syria. After beginning the genocide in Gaza, the Jews have increased their security footprint within Syria, since late 2024, with a series of bombings and direct ground incursions, land levelling, construction of barricades, and establishment of permanent military posts.

The Jews are expanding their presence in the Muslim World despite the fact that the Islamic Ummah possesses millions of Muslim troops, including some of the world's most powerful armies, such as those of Pakistan, Turkey and Egypt. The Jews are expanding their presence despite their cowardly nature, clinging to the life their lives. Allah (swt) said, ﴿وَلَنَجْذِبَهُمْ أَكْرَصَ النَّاسِ عَلَى حَيَاةٍ وَمِنَ الَّذِينَ أَشْرَكُوا﴾ **“And you will surely find them the most eager of people for life—even more so than the polytheists.”** [TMQ Surah Al-Baqarah: 96].

As for the rulers of the Muslims, from Morocco to Indonesia, their role is to restrain the armies of the Muslims, and enter into regional alliances that normalize the occupation of Al-Masjid Al-Aqsa and the Blessed Land of Palestine, such as Trump's Board of Peace.

O Soldiers in the Muslim Armies!

The people of the Jewish entity are not a people of war or fighting. They are cowards and have been subjected to humiliation and poverty. You witness believing men from your brothers with weapons that are incomparable to the weapons of the Jews, yet they strike them with power, and those who flee in front of them resort to airplanes to protect them. ﴿لَنْ يَضُرُّوكُمْ إِلَّا أَذًى وَإِنْ يُقَاتِلُوكُمْ يُؤْلَوْكُمْ الْأَنْبَارَ ثُمَّ لَا يَنْصُرُونَ﴾ **“They will not harm you except for some annoyance. And if they fight you, they will show you their backs in retreat; then they will not be aided”** [TMQ Surah Aal-i-Imran: 111].

So, what will the situation of the Jews be when you remove the treacherous rulers of Muslims, establish the Khilafah Rashidah (rightly guided Caliphate) and fight the Jews?

The Establishment of the Khilafah Rashidah and the Liberation of Al-Masjid Al-Aqsa Dismantles the Web of Alliances that Trump is Weaving

On 23 July 2026, Trump posted on the platform Truth Social, “The Civil Nuclear Deal ... being made between the United States Department of Energy and Saudi Arabia... will be approved, but is totally subject to Saudi Arabia joining the very respected and successful Abraham Accords.” (<https://truthsocial.com/@realDonaldTrump/posts/116969149016233329>)

Trump is weaving a web of alliances between the Jewish entity and his agents and followers in the Muslim World. The web of Trump joins some of his agents to the Jewish entity directly, whilst joining other agents amongst themselves, as is the case of the alliance between the rulers of Pakistan and the rulers of Hijaz. Thus, Trump joins his nights with his days to permanently normalize the occupation of Al-Masjid Al-Aqsa and the Blessed Land of Palestine. Trump does so whilst the Jews storm Al-Masjid Al-Aqsa, the First Qiblah of the Muslims and the destination of the Night Journey of the Messenger of Allah (saw). Moreover, Trump is only able to do so because the rulers of Muslims prevent the mobilization of the armies of the Ummah to eradicate the Jewish entity.

O Ummah of Islam! Every people have a red line, and amongst the red lines of the Islamic Ummah is the occupation of Al-Masjid Al-Aqsa and the Blessed Land of Palestine. Demand the dismantling of Trump's web of alliances, including withdrawal from Trump's Board of Peace and the military pacts between Trump's men, the agent rulers of Muslims. Demand that your armies mobilize to remove the traitorous rulers of Muslims and grant their nussrah (military support) for the establishment of the Khilafah Rashidah.

It is then that the soldiers of Islam will set out and these soldiers will achieve what the Truthful, the Trusted One, the Messenger of Allah (saw) has informed us: Al-Bukhari narrated in his Sahih, «تَقَاتِلُكُمُ الْيَهُودُ فَتُسَلِّطُونَ عَلَيْهِمْ» **“The Jews will fight you, and you will prevail over them.”** And Muslim narrated in his Sahih, «لَتَقَاتِلَنَّ الْيَهُودَ فَلَتَقْتُلَنَّهُمْ» **“You will fight the Jews and kill them.”** Thus, then your armies will uproot the Jewish entity from the Blessed Land, and then the Blessed Land will return to the Abode of Islam (Dar ul-Islam), just as Umar (ra) opened it, Salah ud-Din liberated it, and Khaleefah Abdul Hamid preserved it!

The Only Path to End Economic Dependence on the US is the Implementation of the Shariah Law of Allah (swt)

WASHINGTON, July 21 (Reuters) - Pakistan has asked the United States for a \$10 billion exchange stabilization facility, according to two sources briefed on the matter, which, if approved, could provide a lifeline for the cash-strapped South Asian economy. The request, which is being reported for the first time, follows Pakistan's role in brokering talks over the Iran war, which raised its diplomatic profile and stirred hopes that it could seek economic gains from Washington and other partners. Pakistani Finance Minister Muhammad Aurangzeb made the request in a letter delivered during a meeting with U.S. Treasury Secretary Scott Bessent, on Tuesday, a U.S. official said. In it, Islamabad asked for creation of a Bilateral Exchange Stabilization Support Facility between the U.S. and the Pakistani government worth \$10 billion with maturity of up to five years. (<https://www.reuters.com/world/asia-pacific/pakistan-seeks-10-billion-us-backstop-facility-boost-reserves-source-says-2026-07-21/>)

The report from a US official highlights the economic dependence of Pakistan on the US. The \$10 billion facility is not a charity. It has a maturity which means the interest (riba) and principle must be paid. The American facility is thus increasing foreign debt, as well as the interest payments that the rulers of Pakistan make after increasing taxation on the people, and then handing most of it over to creditors. Even this is never enough, so the rulers of Pakistan continuously take even more riba-based debt. Effectively, the people of Pakistan are a cash cow for the creditors who invest in its debt, and are milked to the point of exhaustion and collapse.

The rulers of Pakistan allow this cycle of worsening riba-based debt to continue. Firstly, it allows them to embezzle funds, and become immensely wealthy. Secondly, it provides them a narrative to submit to US demands regarding its interests in the Muslim World. So far, the rulers of Pakistan secured the US military from humiliation by brokering talks with Iran, which dampened the military response of Iran, whilst Trump planned for a new wave of attacks. Now, as Trump prepares for the next wave of attacks on Iran, by using the armies of Muslims, a narrative to justify the mobilization of the Pakistan Army in support of the United States emerges, through a leak by a US official. Effectively, the armed forces of Pakistan is a mercenary force for the US, a source of immense humiliation for its officers and the Muslims in general.

The cycle of increasing debt, debt payments, economic misery and foreign policy humiliation will continue under the current rulers. It can only be broken by the implementation of the Shariah Law of Allah (swt). Allah (swt) forbade the payment of riba (interest). The Messenger of Allah (saw) ordered the seizure of misappropriated wealth from corrupt officials who embezzle funds from the state treasury (baytul maal). After settling debt by implementing Shariah rulings, the Islamic Ummah can focus fully on strengthening its economy on the basis of Shariah, whilst mobilizing the armed forces to end the occupation of Muslim Lands and to force its enemies to retreat. Let the Islamic Ummah strive for the implementation the Shariah Law of Allah (swt) by its state, the Khilafah Rashidah (Rightly-Guided Caliphate) on the Method of the Prophethood.

Attacks on the US Military Bases Must Include the Eradication of America's Advance Military Base, the Jewish Entity

On 21 July 2026, the media wing of the armed forces of Pakistan reported that the Interior Minister of Iran met Asim Munir, Chief of Army Staff and Chief of Defence Forces, at the General Headquarters (GHQ), Rawalpindi, stating, "During the meeting, matters of mutual interest, regional and bilateral security and effective border management were discussed." (<https://ispr.gov.pk/press-release-detail?id=7726>)

The greatest threat to regional security is the US plan for the Jewish entity. Trump's plan for a new Middle East includes the normalization of an expanded Jewish entity within the heart of the Muslim World, through regional pacts and agreements including the Board of Peace.

Attacks on the military bases used by America must include the eradication its advance military base, the Jewish entity. Jihad in the Path of Allah (swt) against the Jewish entity and the American crusaders is a Shariah obligation upon all the armies of the Muslims, not just the armed forces of Iran.

It is time to tear down the American plan for the Middle East. It is time to demand that the armies of the Ummah engage in a huge attack to eradicate the largest terrorist base in the lands of Muslims, the Jewish entity.

The Messenger of Allah (saw) said, «لَا تَقُومُ السَّاعَةُ حَتَّى يُقَاتِلَ الْمُسْلِمُونَ الْيَهُودَ فَيَقْتُلُهُمُ الْمُسْلِمُونَ حَتَّى يَخْتَبِئَ الْيَهُودِيُّ مِنْ وَرَاءِ الْحَجَرِ وَالشَّجَرِ فَيَقُولُ الْحَجَرُ أَوْ الشَّجَرُ يَا مُسْلِمُ يَا عَبْدَ اللَّهِ هَذَا يَهُودِيٌّ خَلْفِي فَتَعَالَ فَاقْتُلْهُ . إِلَّا الْغَرْقَدَ فَإِنَّهُ مِنْ شَجَرِ الْيَهُودِ» **“The last hour would not come unless the Muslims will fight against the Jews and the Muslims would kill them until the Jews would hide themselves behind a stone or a tree and a stone or a tree would say: Muslim, or the servant of Allah, there is a Jew behind me; come and kill him; but the tree Gharqad would not say, for it is the tree of the Jews”** [Muslim].

The Khilafah Rashidah (Rightly Guided Caliphate) is the Shariah Solution to Disunity, Poverty and Weakness in the Muslim World

ISLAMABAD, Jul 20 (APP): Iranian Interior Minister, Eskandar Momeni arrived here on Monday on an official visit to Pakistan, accompanied by a high-level delegation, in a trip expected to focus on bilateral cooperation, border management, regional security, and economic collaboration. (<https://www.app.com.pk/national/iranian-interior-minister-arrives-for-high-level-talks-aimed-strengthening-pakistan-iran-ties/>)

Even whilst the US attacks Iran, and the Jewish entity expands its occupation of the Blessed Land of Palestine, the rulers of Muslims fail to unify as Shariah obligates, as a single Khilafah Rashidah (Rightly-Guided Caliphate). Instead, the rulers limit cooperation and collaboration within the colonialist framework of weakening the lands of Muslims, through dividing them into nation states.

Since the destruction of the unifying Khilafah state in 1342 AH, corresponding to 1924 CE, the nation state has caused disunity, poverty, weakness, wars between Muslim states and civil wars within Muslim states. The nation state limits thinking to securing nationalistic borders, and preserving regional strategic depth for each nation state, at the very most. Currently, the nation state prevents the mobilization of the entire Ummah for the liberation of Al-Masjid Al-Aqsa, and the expulsion of the US military infrastructure from the lands of Muslims.

The Islamic Ummah must demand the abolition of the nation state and the establishment of the Khilafah Rashidah. It is the Khilafah that will build the brotherhood of Muslims on the basis of Islam, in firm rejection of sectarianism, nationalism and sub-nationalism. It is the Khilafah that will remove nationalistic borders between Muslims, and unify the current Muslim states as a gigantic, single Islamic state. It is the Khilafah that will command the world's largest army, mobilizing it in Jihad in the Path of Allah (swt) to liberate Al-Masjid Al-Aqsa and forcing the withdrawal of the US military from the entire Muslim World.

It is the leadership of the Khilafah that will abandon the narrow thinking of regional strategic depth, and embrace the noble vision of establishing the dominance of the Deen of Truth throughout the entire world. Allah (swt) said, «وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ» **“Allah has promised those of you who believe and do good that He will certainly make them successors in authority within the land.”** [TMQ Surah An-Noor24:55]. As Ibn Kathir commented in his Tafsir, بأنه سيجعل . بأنه سيجعل .

أُمته خلفاء الأرض ، أي : أئمة الناس والولادة عليهم ، وبهم تصلح البلاد ، وتخضع لهم العباد ، وليبدلن بعد خوفهم من الناس أئمة
“this is a promise from Allah (swt) to His Messenger (saw) that He would cause his Ummah to become successors on earth, that is, they would become the leaders and rulers of humankind, through whom He would reform the world, and to whom people would submit, so that they would have in exchange a safe security after their fear.”

Jihad By the Armed Forces of the Ummah Against the Jewish Entity Unifies the Believers and Defeats the Attacking Disbelievers

The phrase “Except Israel” has been reinstated on Bangladeshi passports. The Ministry of Home Affairs today, Sunday (19/7/2026), issued an official order restoring the wording, which had been removed six years ago during the tenure of the now-ousted Awami League government. (<https://en.prothomalo.com/bangladesh/i0c55dplsb>)

Indeed the Muslims of Bangladesh are lovers of Islam and Muslims, and intelligent in their pursuance of the affairs of Muslims. So, it is not a surprise that public awareness compelled the authorities to restore the wording “Except Israel,” even though they did that almost two years after the ouster of the Awami League on 5 August 2024.

However, even the delayed restoration of the wording “Except Israel” is not enough to distinguish the current rulers from the previous rulers. Words of condemnation must be followed by actions that are loved by Allah (swt), His Messenger (saw) and the believers. It is upon the rulers of Bangladesh to declare Jihad on the Jewish entity and mobilize the capable and willing armed forces of Bangladesh, and demand that all Muslim states do the same. Jihad by the armed forces of the Ummah purifies the believers, and terrifies the attacking disbelievers, as the Ummah has witnessed in the time of the First Khilafah Rashidah.

Jihad by the armed forces of the Ummah will overturn the attempt of Trump to mobilize his agents amongst the rulers of Muslims to fight against Iran. Jihad by the armed forces of the Ummah will raise the feelings of brotherhood in Islam, and put out the fires of nationalism and sub-nationalism which are currently burning the lands of Muslims, from Sudan to Pakistan. By the Permission of Allah (swt), under the leadership of the Second Khilafah Rashidah, Jihad by the armed forces of the Ummah will gather the Muslims as allies and defeat their enemies, the Jews and the American crusaders, after they were shaken by the mujhaideen of Gaza and the armed forces of Iran. It is time for the armies of the Ummah to liberate Al-Masjid Al-Aqsa. Allah (swt) said, ﴿وَمَنْ يَتَوَلَّ اللَّهَ وَرَسُولَهُ وَالَّذِينَ آمَنُوا فَإِنَّ حِزْبَ اللَّهِ هُمُ الْغَالِبُونَ﴾
“All those who take Allah and His Messenger and those who believe as their allies, remember that the party of Allah will be triumphant.” [TMQ Al-Maidaa 5:56].
