Comment:

To the people of Pakistan, the Pure and Good Land, which was established in origin for Islam and Muslims...

O people of Pakistan, the Pure and Good Land: O descendants of Muhammad bin Qasim, progeny of those who struggled with him in the Opening of these lands by the early Muslims, how could you ever be pleased with an oppressive and brutal regime, that discards the Book of Allah (swt) and the Sunnah of His Messenger (saw) behind its back, violating the provisions of the Shariah and exposing the country to America colonialism to corrupt the lands utterly, not even sparing its soil or cattle?!

How could you ever be pleased with a government moving away from the battle front against the Hindu Mushrikeen, occupiers of the lands of Islam in Kashmir and other than Kashmir, moving from this front to fight your brothers in the tribal areas and Baluchistan as well as the mujahideen in Afghanistan?!

How could you ever be pleased by the government’s abduction of your sincere and loyal sons in broad daylight from the streets, madrassas and masajid only for the government to then deny such kidnapping without a shred of shame before Allah (swt), His Messenger (saw) and the believers?!

Indeed, they have seized many of the daring lions of Hizb ut Tahrir because they say our only Lord is Allah (swt), keeping them for months, and even more than many months, in severe torture as they previously did with the abductees, and as they currently do with the Hizb ut Tahrir / Wilayah Pakistan’s official spokesman, Naveed Butt, and those seized after him?!

You may say that you cannot do anything, but you are capable, so consolidate your efforts with the Hizb and your Lord will bestow mercy by His permission, Glorified be He, for the Hizb will never tire or seek rest from its great work, in accordance to the Shariah, until inshaaAllah it brings change, ends the rule of the unjust and restores the Truth to its people. So be with the Hizb in its movements and do not be afraid of any other than Allah (swt), knowing that the future is only for those who fear Allah (swt)...

And to the pious amongst the Ulemah, the Ulemah who fear Allah (swt), do you not see the abolition of the Shariah rulings of Allah?

Do you not see the plundering of the Ummah’s wealth and corruption eating away at the backbone of the state and its institutions? Do you not hear and see the advocates of the Dawah to Allah (swt), to the establishment of the Khilafah (Caliphate) for the implementation of the Shariah Law of Allah (swt), do you not see how they are abducted and severely tortured? Do you not see all of this?

Is this not a terrible evil? Is it not a Shariah obligation that you must call in rejection of it? If you say that we ulema do not constitute a state to change munkaraat by the hands physically, do you not have tongues by which you can speak up in denial? Is not speaking the word of truth the greatest Jihad, as the Messenger of (saw) said when he was asked what its the best Jihad, «كَلِمَةٌ حَقٌّ عِنْدَ سُلْطَانٍ جَائِرٍ» “The word of truth before the unjust rulers” [an-Nisai], so why do you hold your tongues and why do you not speak?
