

America Reaps the Fruits of the War on Gaza with a Malicious Plan and Guardianship by a Resolution from the Council of Crime!

(Translated)

After two years of genocide in Gaza, and the inferno whose fire devoured the bodies of children while they were alive, and the destruction that suffocated breaths beneath the rubble, and the famine that gnawed at bodies until they withered, the Security Council held a session in which it voted on a draft resolution supporting the plan of the criminal Trump.

Genocide in Gaza took place under the hearing and sight of the Security Council, sessions were held one after another, resolutions were presented, and none succeeded in stopping the war, because America—the incubator of terrorism, the supporter of the criminal entity, and the patron of crime—had not yet decided to stop it. And here it is today extracting a resolution with which it concludes its wicked war through its malicious plan, completing what Netanyahu and his cowardly criminal army failed to achieve.

The Security Council Resolution—which carries the number 2803—stipulates in its most prominent provisions the establishment of a Board of Peace (BoP), which is “a transitional administration with international legal personality tasked with setting the framework and coordinating financing for redeveloping Gaza in accordance with the comprehensive plan and in line with relevant international law principles, until the Palestinian Authority completes its reform program satisfactorily.” It also stipulates that “after the Palestinian Authority faithfully implements its reform program and redevelopment of Gaza progresses, conditions may finally be available to crystallize a credible path toward self-determination and the establishment of a Palestinian state.”

The resolution also mentioned the establishment of a “Temporary International Stabilization Force (ISF) in Gaza deployed under unified leadership acceptable to the Peace Council,” whose tasks include helping secure border areas and disarming what was described as terrorist weaponry, operating in coordination with “Israel” and Egypt, and with “a new Palestinian police force whose members are trained and vetted.”

Thus, criminal America extracted a Security Council resolution that authorizes it to directly oversee the Gaza Strip and grants it guardianship over Gaza and its future, making this resolution imposed and hanging over the necks of the people of Gaza and its mujahideen. What is remarkable in the resolution is that it did not include entry under Chapter VII in case the treacherous entity evades its obligations, as if the resolution were designed to be binding upon the people of Gaza but not binding upon the criminal Jewish entity!

As for the Palestinian state—that poisoned carrot and cursed fruit with which Satan tempts his allies—the resolution did not commit to it even if it mentioned it. It only stated conditions and dictates for forming what it called “the credible path,” which may be a maze with no visible end, and all of it conditioned upon reforms satisfactory to the Authority. And the question here is: what are those reforms required of the Palestinian Authority?! It is the one that conceded most of Palestine, changed school curricula, killed its own people, and affirmed that it is ready to implement everything requested of it!

Above this, Netanyahu preceded the Security Council resolution by confirming in his government meeting on Sunday 16/11/2025 his rejection of the establishment of a Palestinian state, saying: “Our opposition to establishing a Palestinian state on any part of the land west of the Jordan River remains standing, active, and has not changed at all.” (RT) America and its agents did not object to this statement, confirming that the role required of the Palestinian Authority is to be a security apparatus subordinate to the occupation and to implement its policies.

This resolution issued by the assembly of tyrants is a criminal resolution against Palestine and its people, and it suffices that it turned a blind eye to the crimes of the criminal entity despite all its massacres and made its security the cornerstone, while making Gaza and its weapons terrorism which the Security Council rushes to remove, placing it under American guardianship, isolating it from the rest of Palestine, controlling the fate of its free and patient people, burying its jihad, eliminating its mujahideen, and disarming it..

It is a resolution intended to erase any trace that may awaken in Muslims the zeal of their religion, and to make thinking of liberation, al-Aqsa, and the sanctities forbidden terrorism, and the jihad of Muslims in the path of Allah a crime countered by international armies.

O Muslims, O armies in the Muslim lands: It is the sorrowful and heartbreaking matter that America occupies our lands with our soldiers, as the executive force for its plan is from the armies of the Muslims, and that our weapons are stripped with our weapons, and the mujahideen are killed by their brothers without a single bullet fired by America!

As for the humiliating, treacherous rulers, they all unanimously voted for its ominous resolution, dressing you in a garment of disgrace, and they have employed your sons to be an arrow in the quiver of your enemy. They are the ones unmoved by the remains of children, the cries of women, nor by the commands of Allah Almighty; they only move by the order of America and only wage its wars. Until when will you remain silent about them? Has the time not come to depose them and overturn their thrones upon their heads?

Indeed, al-Aqsa Mosque and the Blessed Land long for the armies of the Muslims to come to them as liberators and openers, not to come under the spears of America to protect the Jewish entity, oppress the people of Palestine, and disarm their mujahideen. America calls you to humiliation, disgrace, and a blazing fire, while your Lord calls you to the honor of this world and the Hereafter. So respond to Allah and His Messenger, and reflect upon the saying of Allah the Exalted: ﴿أَفَلَا يَتَذَكَّرُونَ الْقُرْآنَ أَمْ عَلَى قُلُوبٍ أَقْفَالُهَا (24) إِنَّ الَّذِينَ ارْتَدُّوا عَلَى أَدْبَارِهِمْ مِنْ بَعْدِ مَا تَبَيَّنَ لَهُمُ الْهُدَى الشَّيْطَانُ سَوَّلَ لَهُمْ وَأَمْلَى لَهُمْ (25) ذَلِكَ بِأَنَّهُمْ قَالُوا لِلَّذِينَ كَرَهُوا مَا نَزَّلَ اللَّهُ سَنُطِيعُكُمْ فِي بَعْضِ الْأَمْرِ وَاللَّهُ يَعْلَمُ إِسْرَارَهُمْ (26) فَكَيْفَ إِذَا تَوَفَّتْهُمُ الْمَلَائِكَةُ يَضْرِبُونَ وُجُوهَهُمْ وَأَدْبَارَهُمْ (27) ذَلِكَ بِأَنَّهُمْ اتَّبَعُوا مَا أَصْحَبَ اللَّهُ وَكَرَهُوا رِضْوَانَهُ فَأَحْبَطَ أَعْمَالَهُمْ﴾ ***“Then do they not reflect upon the Qur'an, or are there locks upon [their] hearts? Indeed, those who reverted back after guidance had become clear to them – Satan enticed them and prolonged hope for them. That is because they said to those who disliked what Allah sent down, “We will obey you in part of the matter”; and Allah knows their secrets. Then how [will it be] when the angels take them in death, striking their faces and their backs? That is because they followed what angered Allah and disliked His pleasure, so He rendered worthless their deeds.”*** [Surah Muhammad: 24-8].

And as for you, O People of Palestine, O People of Gaza:

Be confident in Allah that He will not waste your patience and your jihad, neither in this world nor in the Hereafter, and your pure blood will be a curse that burns with its fire every traitor and every one who abandoned you. Your cause is too great for criminals to tamper with. ﴿وَلِلَّهِ عَاقِبَةُ الْأُمُورِ﴾ ***“And to Allah belongs the outcome of all affairs.”*** [Surat Al-Hajj:41] not to America, ﴿وَالْعَاقِبَةُ لِلْمُتَّقِينَ﴾ ***“And the [best] outcome is for the righteous.”*** [Surat Al-Qasas:83].
