The Ruwaibidha Rulers of the Muslims Persist in Their Humiliation and Betrayal!

(Translated)

A joint statement issued on Sunday by the foreign ministers of Saudi Arabia, Qatar, the UAE, Jordan, Egypt, Türkiye, Pakistan, and Indonesia condemned the rejection by the Jewish entity of U.S. President Trump's plan for Gaza. They said that this rejection directly threatens to undermine the "intensive efforts made by Trump to end the war in Gaza and create the necessary conditions for achieving lasting peace."

Thus, these Ruwaibidat (lowly incompetent rulers) have become mouthpieces for Trump, advocating his ill-fated plan, whose aim is to prepare the conditions for America and the Jewish entity to displace the people of Gaza and turn Gaza into tourist and investment resorts for Trump.

The eight ministers also did not miss the opportunity to reaffirm their adherence to the Tree of Zaqqum called the "two-state solution." They stated in their declaration that "thereby threatening the viability and realization of an independent, contiguous Palestinian State based on the 1967 lines with East Jerusalem as its capital. Such actions constitute a direct challenge to international efforts aimed at achieving peace..."

Thus, just as America previously succeeded in making the two-state solution an international demand and an objective pursued and promoted by all the Muslim rulers, despite the fact that it means relinquishing three-quarters of Palestine and surrendering it to the Jews, Trump has also succeeded in making his peace plan, which empowers the Jewish entity and makes it secure and at ease by disarming the factions, pursuing the fighters, and placing the Strip under the control of Jewish forces and international occupation forces, a demand of the rulers.

They no longer feel ashamed to call on America to move forward with the plan and pressure the Jewish entity to comply with it. Indeed, they consider making such a demand an achievement!

It was said long ago: **"The mountain labored and gave birth to a mouse."** Here, eight mountains have labored, yet produced nothing but a mouse, and uttered nothing but disbelief!

The rulers of these eight countries have not hesitated to deploy their armies in the wars of Sudan, Yemen, Syria, Libya, Afghanistan, the Arab Gulf, and elsewhere. Palestine and Gaza today do not await a two-state-solution initiative or Trump's peace plan. Rather, they await their armies, numbering in the millions, to move to support them and cleanse them of the Jews.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا قَاتِلُوا الَّذِينَ يَلُونَكُمْ مِنَ الْكُفَّارِ وَلْيَجِدُوا فِيكُمْ غِلْظَةً وَاعْلَمُوا أَنَّ اللَّهَ مَعَ الْمُتَّقِينَ﴾
