**The Rulers of the Muslims Compete with One Another in Speeches
from the Podium of the United Nations General Assembly
As for Actions, They Are Not in Their Dictionary!**

(Translated)

The President of Türkiye, Erdogan, said in his speech before the United Nations General Assembly on Tuesday: "In this regard, I call on you to exert greater pressure on 'Israel'," while he called for more countries to recognize the State of Palestine. As for the King of Jordan, Abdullah II, he said that the world is paying the price for ignoring the crises and ongoing conflicts in the Middle East, affirming that their repercussions go beyond the region to affect the economy and people's lives around the world. He added, "With Israel, resolutions end where they begin: on paper. The result is a state without restraint." As for the Emir of Qatar, Tamim bin Hamad Al Thani, who said, "There can be no talk of a just international order as long as Palestine remains a blind spot within it." considering that what happened in Gaza is "genocide in every sense of the word," and that future generations will be astonished by the size of the gap between the humanitarian catastrophe and the level of the international response to stop it.

Like them are the rest of the rulers of the Muslims. They differ in some expressions and elaborations, but in essence they are one. All of them still sing about peace projects and the pursuit of resolving the conflict according to the vision of the two-state solution, which is based on recognizing the legitimacy of the occupation over more than three-quarters of Palestine alongside a feeble mini-state for the Palestinians, thinking that this will be the magic recipe for ending the conflict in Palestine and the Middle East, because they forgot, or pretended to forget, that the Islamic Ummah derives its determination and constants from its creed and the rulings of its religion, which prohibit it from giving up even one span of the land of Al-Isra and Al-Mi'raj to any colonizer whatsoever.

Despite all of them agreeing that what the Jewish entity is doing against our people in Palestine is genocide and an atrocious crime, they do not put forward any solution for that except calling for putting pressure on it to stop its crimes, as though it will stop on its own out of love and honor! Or as though the international system actually cares about the matter of the Muslims and Palestine, despite the King of Jordan himself saying, "With Israel, resolutions end where they begin: on paper. The result is a state without restraint."

For all of them realize that the United Nations is nothing more than a tool of the major and colonialist states, and that its decisions have no value except when they are for serving the purposes of colonialism and its plans. Yet they do not cease heading toward the podium of the UN to deliver speeches and words that they know will not leave its walls!

The path to supporting Palestine is not unknown, for everyone knows that there is no way for that except through the movement of the armies of the Muslims to liberate it completely. On the authority of Ibn Umar, from the Prophet (saw), he said: «لَتَقَاتِلُنَّ الْيَهُودَ فَلَتَقْتُلَنَّهَمْ حَتَّى يَقُولَ الْحَجَرُ: يَا مُسْلِمُ، هَذَا يَهُودِيٌّ فَتَعَالَ فَاقْتُلْهُ» **“You will certainly fight the Jews, and you will certainly kill them until the stone says: ‘O Muslim, this is a Jew, so come and kill him.’”** (This wording is also recorded in Sahih Muslim 2921a.)

However, these rulers continue to buzz about the solutions of the colonizers and their projects, leaving the real beneficial actions. Allah (swt) said: ﴿وَقُلْ اَعْمَلُوا فَسَيَرَى اللَّهُ عَمَلَكُمْ وَرَسُولُهُ وَالْمُؤْمِنُونَ وَسَتُرَدُّونَ إِلَىٰ عَالِمِ الْغَيْبِ وَالشَّهَادَةِ فَيُنَبِّئُكُمْ بِمَا كُنْتُمْ تَعْمَلُونَ﴾ **“And say, ‘Do [as you will], for Allah will see your deeds, and [so will] His Messenger and the believers. And you will be returned to the Knower of the unseen and the witnessed, and He will inform you of what you used to do.’”** [Surah At-Tawbah: 105].

The rulers’ awareness of the crimes of the Jewish entity and the failure of the United Nations does not make them heroes defending the interests of the Ummah. Rather, that is evidence of their conspiracy with the colonialist kafir (disbeliever), since they realize the truth and despite that they have not moved a finger to support Palestine and its people.

Indeed, hope and expectation are in the sincere ones in the armies of the Ummah, so that they move to support the Ummah and its causes and liberate Palestine and the rest of the occupied lands of the Muslims, thereby going beyond the collaborating and conspiring rulers. So hasten, hasten, O armies of the Muslims.
