

Press Release

The Detrimental Rulers do not have a Say at Anything Before their American Master permit them

(Translated)

In a remarkable race the regional stances unified in Iran, Turkey, the Ministerial Council of the Arab League and the flimsy Iraqi parliament trying to satisfy the Kafir US in regards what is called the 'Referendum' on the separation of Iraqi Kurdistan and becoming independent, scheduled to being carried out on September 25th ...regardless of the difference in their positions of the ongoing events in the region and the whole world depending on their individual interests. The Iraqi Parliament voted on Tuesday (Sept. 12) with most of its members agreeing on rejecting the resolution of the region on carrying out the referendum and thereby entitling Al-Abadi with all necessary authority to prevent it from happening inside and outside of the region whether in Kirkuk or in the disputed areas. Then the Ministerial Council of the Arab League followed him on Wednesday (Sept. 13) taking a unanimous decision to reject the Referendum for its illegality and opposition to the Iraqi constitution which has to be respected and followed. Likewise the Turkish and Iranian commanders did by announcing their rejection of the project calling for a ban on it because it would lay the ground for the beginning of tensions and confrontations inside Iraq affecting the neighbouring countries. But those politicians, commanders and their governments forgot that they all helped the occupying Kaffir tear Iraq apart and fragmentizing it when it was unified on all fronts. (news agencies).

It is surprising that the tragedies which are happening in the Muslim lands due to the international struggle for their wealth and potentials through plots and distress led by their enemies to restrict their governments and tearing apart their unity so that they will never rule the world again. The above leads to the shedding of Muslims' blood in all places, not to mention the economic and security crisis and the spread of dangerous and incurable diseases...all these disasters have not made the detrimental rulers call for emergency meetings and issue consensus resolutions that call for the movement of their heavily armed armies to repel the Ummah's enemies and to free the oppressed from the oppressor and stop what their people are suffering from just as they did with the Referendum!

Finally, preventing our bloodshed and gaining our pride and dignity will not happen without the righteous protector: the Khalif of the Muslims, who will restore everything to its origin in the shade of the second Khilafah Rashida (Righteous Caliphate) on the method of the Prophethood. He will make it his first priority to protect the interest of all people and protect the Ummah of Islam as did the Khulafa Rashidun and those who succeeded them of great leaders as Harun Al-Rahid, Muhammad Al-Fatih, Sulaiman Al-Ganouni and the likes of them from Islam's flourishing centuries.

﴿وَلَقَدْ كَتَبْنَا فِي الزَّبُورِ مِن بَعْدِ الذِّكْرِ أَنَّ الْأَرْضَ يَرِثُهَا عِبَادِيَ الصَّالِحُونَ * إِنَّ فِي هَذَا لَبَلَاغًا لِّقَوْمٍ عَابِدِينَ﴾

"We have written in the Psalms, after the Reminder, that the earth will be inherited by My righteous servants * Indeed, in this is a message for people who worship." [Al-Anbiya: 105-106]
